

## DIGILAB INDIA - offers professional measurements solutions : an overview

current

voltage

power quality

insulation

earth resistance

time/frequency

ind/cap/res.

temperature

humidity

vibration

air velocity

pressure

flue gas analysis

thermography

sound/rpm

light intensity

cable fault

battery test

height/distance

phase sequence

**digilab india®**  
making brands affordable

**DIGILAB INDIA** is pleased to introduce as one of the largest & quality multi brand source having 25 years experience in the field of test & measuring instruments, we provide wide range of high quality products at affordable prices and have a team of technically skilled managers and certified engineers. The team is customer oriented and consistently motivated to serve our customers with innovative products and application based solutions with full after sales technical support.

Over the years, the company has acquired exhaustive knowledge and specialization in the field of test and measuring solutions. We cater to almost all industries and enjoy a huge customers base in India covering Govt. Depts., PSU's, DRDO's, Telecom, Power Sector, Educational Institutions, MNC's, Food & Pharma, Automobiles, Electronic & Electrical Instruments Manufacturers etc...

For Govt. procurements,  
we are available at :

**GeM**

## DIGILAB INDIA - Product Range

**FLUKE**

- ❖ Digital Multimeters
- ❖ AC/DC Clamp Meters
- ❖ Insulation Testers
- ❖ Infrared Thermometers
- ❖ Thermal Imagers
- ❖ Process Calibrators
- ❖ Vibration & Alignment Tools
- ❖ Power Quality Analyzers
- ❖ Earth Ground Testers
- ❖ Battery Analyzers
- ❖ Portable Oscilloscopes
- ❖ Multi Product Calibrators
- ❖ Benchtop Multi Meters
- ❖ Particle Counters...

**Aplab**

- ❖ DC Power Supplies
- ❖ Linear & Programmable
- ❖ Dual, Multi & Variable Output
- ❖ High Wattage DC Power Supplies
- ❖ LCR Meters & Distortion Meters
- ❖ AC Power Source, Electronic Load
- ❖ Solar Simulator, Cable Fault Locators
- ❖ Analog & Digital Oscilloscopes
- ❖ Signal & Pulse Generators
- ❖ Multimeters & AC Millivolt Meters
- ❖ Stabilizer & UPS
- ❖ Isolation Transformers
- ❖ Signal Generators & Freq. Counters
- ❖ Audio Output Power Meters...

**AMPROBE®**

- ❖ AC/DC Low Current Clamp Meters
- ❖ High Voltage Insulation Testers
- ❖ Milliohm & LCR Meters
- ❖ Sound Level & Lux Meters
- ❖ Solar Power Analyzers
- ❖ Tachometers & Anemometers
- ❖ Ultrasonic Leak Detectors
- ❖ Cable Route Locators
- ❖ Wire Tracers
- ❖ Circuit Breaker Tracers
- ❖ High Voltage Detectors
- ❖ Lan Testers
- ❖ Infrared Thermometers
- ❖ Electrical Testers...

**KEYSIGHT TECHNOLOGIES**

- ❖ Benchtop Digital Multimeters
- ❖ Digital Storage Oscilloscopes
- ❖ Mixed Signal Oscilloscopes
- ❖ Data Acquisition Systems
- ❖ Handheld & Benchtop LCR Meters
- ❖ Micro-Ohm Meters
- ❖ Multifunction Calibrators
- ❖ Spectrum Analyzers
- ❖ Programmable DC Power Supplies
- ❖ RF Power Meters
- ❖ Electronic Loads
- ❖ Arbitrary Function Generators
- ❖ Source Measure Units
- ❖ Frequency Counters...

**BK PRECISION**  
ELECTRONIC TEST INSTRUMENTS

- ❖ DC Power Supplies, Programmable
- ❖ Single, Multi, Fixed, Variable Outputs
- ❖ Frequency Counters
- ❖ Handheld & Benchtop LCR Meter
- ❖ AC Power Source, Electronic Loads
- ❖ Signal & Arbitrary Function Generators
- ❖ Differential & Current Probes
- ❖ Digital Storage Oscilloscopes
- ❖ Spectrum Analyzers
- ❖ Universal Device Programmer
- ❖ Sound Level Meters
- ❖ Single Phase AC/DC Power Meters
- ❖ DC Resistance Meters
- ❖ Benchtop Digital Multimeters...

**GRAPHTEC**

- ❖ Temperature and Humidity Data Logger
- ❖ Modular Type Data Acquisition System
- ❖ Universal 10 Channel Data Logger
- ❖ Isolated Standalone Data Logger
- ❖ Voltage & Current Data Logger
- ❖ Multi Parameter Data Logger
- ❖ UV/Co2 Data Logger
- ❖ Universal 20-200 Channel
- ❖ High Voltage & True RMS
- ❖ Pulse & Logic Data Logger
- ❖ Acceleration Data Logger
- ❖ Illuminance Data Logger
- ❖ Electrical Power Logger
- ❖ 4 Channel Midi Logger...

## DIGILAB INDIA - Product Range

- ❖ Humidity and temperature Data Logger
- ❖ Lux Meter, Sound Level Meter
- ❖ Thermal Imager, Infrared Thermometer
- ❖ Flue Gas Analyzer for Emmission Analysis
- ❖ Air Velocity Meter, Thermo Hygrometer
- ❖ Manometer & Tachometer
- ❖ Differential Pressure Meter
- ❖ Gas Leak Detectors
- ❖ Digital Manifolds
- ❖ Wireless Data Loggers
- ❖ Cooking Oil Testers
- ❖ Compressed Air Counter
- ❖ Digital Multimeter & Clamp Meters
- ❖ Non Contact Voltage Detectors...

- ❖ Benchtop Multimeters
- ❖ Multifunction Electrical Calibrators
- ❖ Data Acquisition & Test Equipment
- ❖ Temperature Calibrators
- ❖ Liquid Nitrogen Comparison Calibrators
- ❖ Micro & Calibration Baths
- ❖ Standard PRT
- ❖ Field Dry Block Calibrators
- ❖ Zero Point & Dual Block Dry Well
- ❖ Humidity Data Loggers & Monitors
- ❖ Automated Pressure Calibrators
- ❖ Dead Weight Testers
- ❖ Gas Flow Standards
- ❖ Infrared & Loop Calibrators...

- ❖ DC Power Supplies, Programmable
- ❖ Single, Multi, Fixed, Variable Outputs
- ❖ High Wattage DC Power Supplies
- ❖ LCR Meters, Distortion Meters
- ❖ AC Power Source, Electronic Loads
- ❖ Signal & Arbitrary Function Generators
- ❖ Voltage, Current, Differential Probes
- ❖ Digital Storage Oscilloscopes
- ❖ Spectrum Analyzers
- ❖ Safety, Ground Bond & Hipot Testers
- ❖ Leakage Current Testers
- ❖ DC Milliohm & Power Meters
- ❖ Benchtop Digital Multimeters
- ❖ Frequency Counters...

- ❖ Temp. Controlled Soldering Stations
- ❖ Induction Heating Soldering Stations
- ❖ Antistatic Soldering Station
- ❖ High Power Desoldering Station
- ❖ SMD Hot Air Rework Station
- ❖ Smoke & Fume Absorber
- ❖ Thermal Wire Stripper & Heat Gun
- ❖ Soldering Iron Tips & Hot Tweezer Tips
- ❖ Hot Air Nozzles & Desoldering Nozzles
- ❖ Tools, Electrical Screw Drivers
- ❖ Anti Static Products & Mats
- ❖ Soldering Pot & Bath
- ❖ Soldering Tip Thermometers
- ❖ Static Level Meters & Testers...

- ❖ Copper Cable Tester & Tone Generators
- ❖ Fiber Inspection & Cleaning Kits
- ❖ Punch Down Termination Tools
- ❖ Fiber Viewing Scope
- ❖ Telephone Line Test Sets
- ❖ Fiber Optic Power Meter
- ❖ Termination Tools
- ❖ Network Cable & LAN Testers
- ❖ Copper Cable Certifier
- ❖ Fiber Inspection Scope
- ❖ Telecom Testers
- ❖ TDR Test Sets
- ❖ Fiber Optic Fault Locator...

For Project requirements, we can offer :

& more...
